Sir:

RESPONSE TO RESTRICTION REQUIREMENT

Pursuant to the Restriction Requirement mailed April 5, 2007, Applicants would like to elect, without traverse, the claims of Species I, which include Claims 1-63 and 66. In the Restriction Requirement, the Examiner indicated that Claims 1-62 are in Species I, but then indicated that Claim 63 is generic. Therefore, it is our opinion that Claim 63 would be included within the group of claims selected for the

first Species. Claim 66 depends from Claim 63. Claims 64 and 65, associated with Species II, would thus, be withdrawn at this time.

Applicants do not believe that any fees are due in connection with this Response. However, if any fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
